Tranquil SSO Account

If you have an existing Tranquil SSO account

Login with Microsoft 365

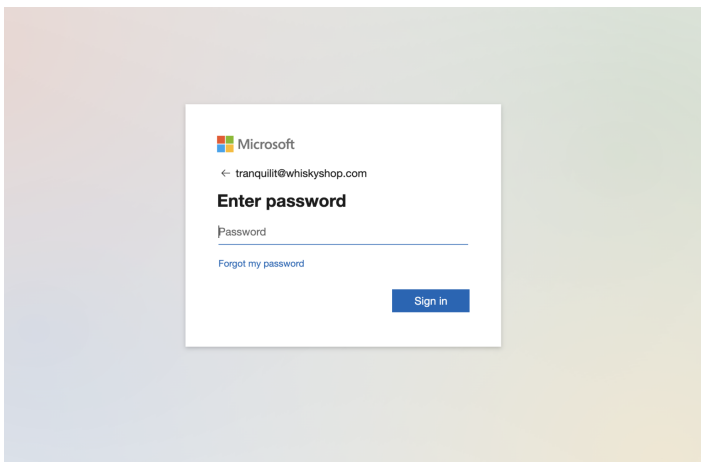

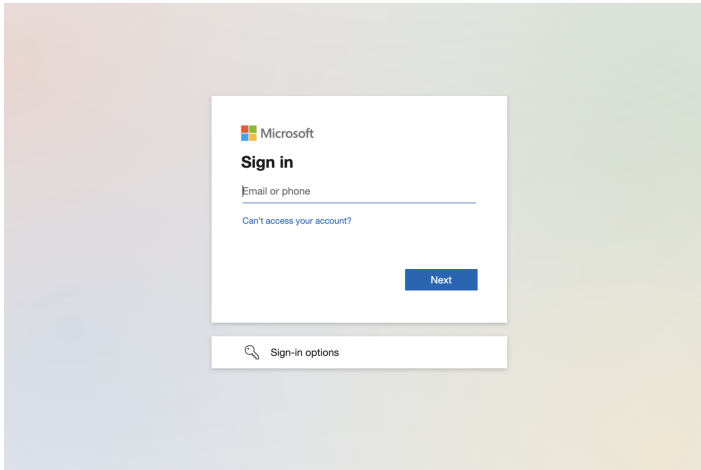

The image shows a login interface for Tranquil IT. At the top center is the logo, which consists of a stylized 'T' icon followed by the text 'TRANQUIL IT'. Below the logo is a dark gray rectangular box containing the login form. The form has the title 'Sign in to your account' in white. Below the title is a text input field labeled 'Email'. Underneath the email field is a checkbox labeled 'Remember me'. A blue button with the text 'Sign In' is positioned below the checkbox. Below the button is a link that says 'New user? Register'. At the bottom of the form box, there is a section titled 'Or sign in with' followed by a small icon of the Windows logo (four squares).

You can sign in to Tranquil SSO using your existing Microsoft 365 credentials.

Simply click the Microsoft icon as shown in the image above from the Tranquil SSO Login page. This will take you to microsoft login.

Sign in to your Microsoft account as normal. Microsoft will then authenticate you to the Tranquil Cloud and log you in.

If this is the first time you are using our SSO you will need to accept permissions to allow Microsoft 365 to authorize you to our Tranquil Cloud SSO platform.
